

Word of God Church & Ministries International is dedicated to providing programs and functions designed to develop well rounded young people in our communities. It is this goal that has inspired our leadership to develop a youth ministry entitled S.P.A.R.C.S. The unique design of this ministry is not only geared towards providing a diverse activity base for our youth, it is also designed so that ideas and activities can flow freely throughout the ministry.

Each division of S.P.A.R.C.S. has a section leader. All divisions consists of a leader, young adult leader, junior leader, ministry workers, teachers, and coaches. This structure allows for the free flow of ideas within each division. Word of God Church & Ministries International is excited about the opportunities S.P.A.R.C.S. will provide our youth as it continues to develop and grow. This is not just a ministry, it is definitely a movement and a part of Bishop Eric W. Davis' vision for equipping today's youth for generations to come.

- Evangelism** (Acts 2:38-39;
Matthew 5:13-16)
- Fellowship** (Hebrews 10:24-25)

MISSION

The S.P.A.R.C.S. Youth Ministry's primary goals are to **TRANSFORM, EQUIP, IMPACT** and become the **Peers That Cause the Pressure**. Through the guiding of the Holy Spirit, we aim to transform our youth from the dark-ness of the world to the light of Christ (1 Peter 2:9). We commit to work in cooperation with parents to train up our youth, for a lifelong relationship with Christ, by developing them into mature spiritual pillars.

LET'S MAKE A DIFFERENCE!

We live in world where young people face many types of peer pressure. Some do not have the desire to help others in need, nor do they plan to succeed academically or know how to prepare for their future. Unfortunately, many youth do not understand the gospel of Jesus Christ.

S.P.A.R.C.S. offers encouragement, a positive atmosphere, academic support, training within areas of professionalism, hosts recreational activities, offers great mentorship programs, and has several activities geared towards the youth.

Most importantly, S.P.A.R.C.S. teaches how to develop a relationship with Christ by using and demonstrating biblical principals.
